Subject: Day time PDO coverage the week of November 5
Date: Tuesday, October 23, 2018 3:05:54 PM

Gary – In order for you to be able to start the FJ Doyle removal during the week of November 5, 2018, Chris and I have asked Matt to cover the Spill line for you from 8 am to 5 pm each day. He will transfer the phone back to you at 5pm. I have included the EMB managers to keep everyone in the loop on this decision. I know that Matt will be able to reach out to you and the other OSCs and managers for assistance.
